## AIRGUIDE COMBINATION INSTRUMENTS

### No. 115A ENVOY Pen Set

Thermometer and hygrometer in a gunmetal grey case with brass colored face, black figures, and red pointers. Gold colored bands on black pens (ball point, standard refills), and gold colored aluminum base. 3½" high, 8" long, and 2" wide. . . . . Retail \$12.00

### No. 115B ENVOY Pen Set (not shown)

Similar to No. 115A except that the instrument case is a warm grey tone and the pens white with gold bands. . . . . Retail \$12.00

### No. 508 SHERWOOD Desk Combination

Solid walnut case, satin brass finished bezel, and gold color metal base. Tells temperature, humidity and weather trends. 5½" high, 9¼" long, 2" deep. Brass colored dials with black calibrations on bone white background . . . . . Retail \$23.50

### No. 511 DIPLOMAT Desk Combination

Desk barometer, thermometer, hygrometer. Greyed walnut case has a silver grey textured vinyl panel face. Bezels are gold plated with bronze colored dials. Set hand is red,

other hands white. Length 13", width 4¾", depth 2½" . . . . . Retail \$36.50

### \*No. 117 DANIA Thermometer-Hygrometer

A new wall instrument at an attractive price. Gunmetal grey case with gold color side panels. Brass colored face, black figures and red pointers. 5½" high, 4½" wide, 1¼" deep. Retail \$10.95

### No. 506A PRINCETON Desk Combination

A pace-setter in home weather bureaus. Grey and white dials with black details and brass pointers show weather trends, temperature and humidity. Plastic case of neat gunmetal grey rests on gracefully arched brass finished base. 3¾" high, 8" wide. Retail \$15.95

### No. 510B DIRECTOR Desk Combination

The instrument panel gives fine point readings on temperature, humidity and weather trends. Chocolate colored dials, white details in a very light beige textured vinyl panel. Bezel and frame richly gold plated. Unique base gives a novel "floating" effect to the case. Height 4¾", length 9½".

Retail \$29.00

### No. 116 VEREX Paperweight

A most economical unit functioning as a paperweight as well as a humidity indicator and thermometer. Case is dark grey plastic with narrow gold color border. The dial is silver colored spun aluminum with black figures and bright red hands. Gold color metal base. Height 2", face 3¾" square. . . . . Retail \$5.75

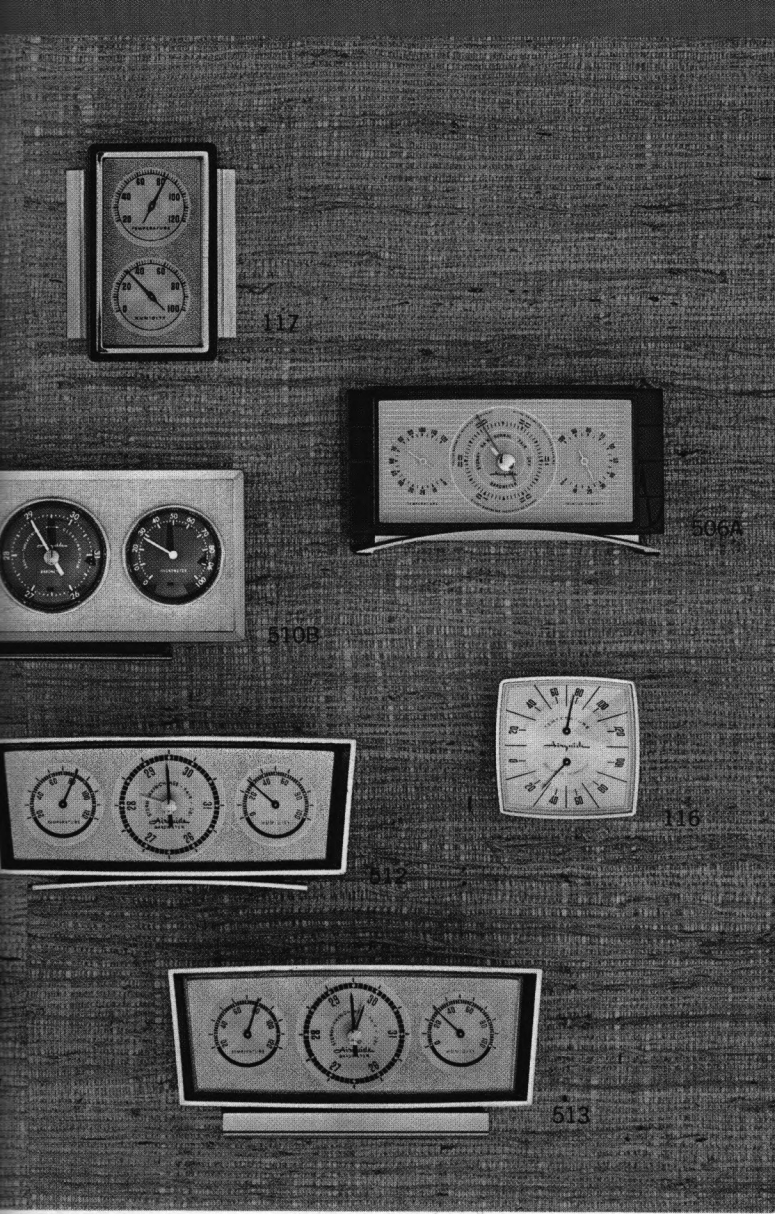

### No. 512 EXECUTIVE Desk Combination

An ideal gift for office or home use. Barometer, thermometer, and humidity indicator. Gold color dial background with black hands and characters. Barometer dial has red set hand. Height 3¾", width 9" . . . Retail \$15.95

### No. 513 DELUXE EXECUTIVE Desk Combination

A new deluxe model of the Executive featuring a large extruded gold colored aluminum base. A very handsome masculine gift. Height is 4¼", other dimensions and specifications the same as Model 512.

Retail \$17.95

**ATION INSTRUMENTS**

Retail \$95.00

**\*New Additions To The Airguide Line**

**AIRGUIDE  
WALL  
COMBINATION  
INSTRUMENTS**

**No. 253 COLONY  
Traditional Wall Combination**

Here is the ageless elegance of Colonial American design to enhance any traditional room. Beautifully finished in fruitwood with gold plated bezels and authentic brass eagle ornament. Dials for barometer, thermometer, and hygrometer are of spun aluminum with black figures and hands. Length 22½", width 6¾" . . . . . Retail \$43.50

**No. 254 TRADEWIND  
Contemporary Wall Combination**

The flavor of the exotic . . . so popular today in modern decor . . . is captured in this graceful design. Grey-brown walnut frames a Mocha colored textured vinyl front. Top and bottom ornaments are brass complementing the gold plated bezels. Barometer, thermometer, hygrometer dials are bronze colored spun aluminum with black figures and hands. Length 21¼", width 4¼" . . . Retail \$40.00

**No. 255 CONTESSA  
Contemporary Wall Combination**

Distinctively Continental in design concept, the Contessa will add a gracefully sculptured effect as a decorator accent. Functional too, with easy-to-read barometer, thermometer and hygrometer.

Greyed walnut case, chrome bezels with black characters on bronze colored spun aluminum dials. Brass ornaments. The white hands are a precise finishing touch. Length 25¾", width 4½".  
**Retail \$50.75**

**No. 231 CORONET Traditional**

This long-popular model is lasting proof that authentic styling and beauty need not be expensive. Handsome solid mahogany or fruitwood case. Temperature, humidity and weather trends are easily read on attractively designed scale and dials. Polished brass bezels and ornamental spindle. Case 20" high, 6¾" wide, 2" deep. No. 231-A Red mahogany. No. 231-C Provincial fruitwood.

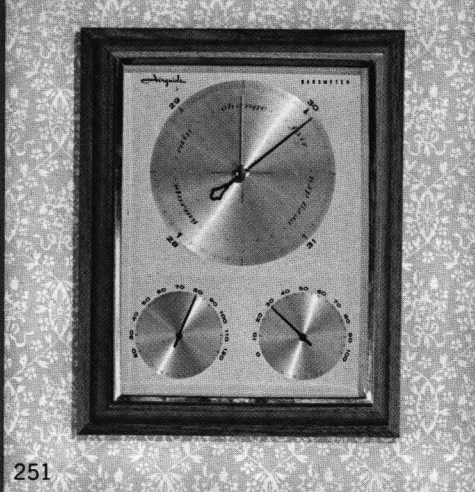

**Retail \$39.95**

**No. 250 JAMESTOWN Early American**

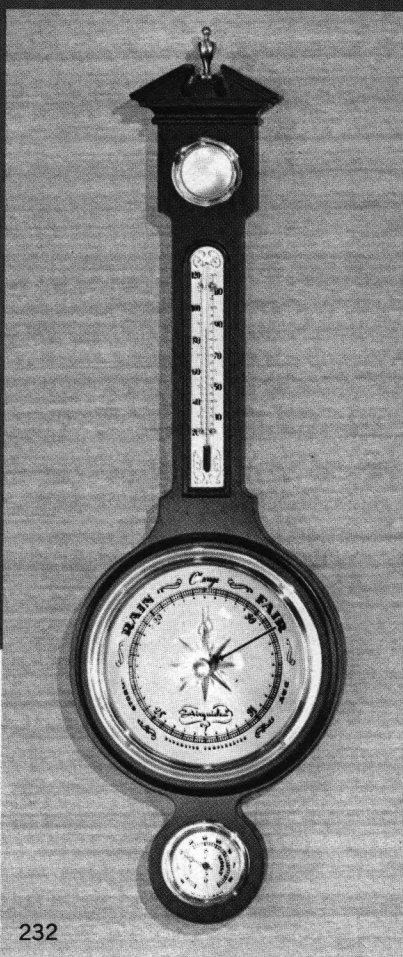

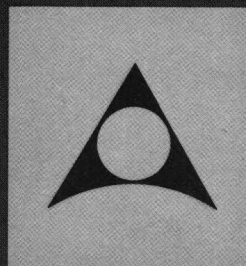

Here is the crest of the Airguide decorator line of fine wall barometers. A masterpiece of workmanship and Colonial period design. Temperature, humidity and weathertrends are shown on beautiful, finely etched silvered scale and dials. Case is satin finished in choice of mahogany or fruitwood. Compensated barometer movement of master quality assures finest accuracy. Dimensions overall 37½" high, 12¼" wide, 2¾" deep. Number 250-A Mahogany. No. 250-C Fruitwood . . . . . Retail \$180.00
