Decorative Wall Barometers — Clocks Weather Wall Plaques

A Sedgefield I*

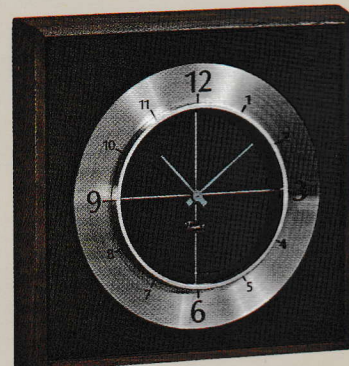

Combination Barometer-Temperature-Humidity Weather Instrument

A mellow wood-tone finish case frames the 8 1/2" aluminum spun dial set on a slate color deck. Charcoal gray theme is carried through the dial face. White lettering, spun brass temperature and humidity dials, and blue pointers complement the total richness of this decorator wall instrument. Slotted for hanging. Gift Boxed. Wt. 2 3/4 lbs.

B Sedgefield II*

Wall Clock

A mellow wood-tone finish case frames an 8 1/2" spun aluminum clock dial set on a slate color deck. White vertical and horizontal lines accent the clock face. Blue hour and minute hands are set against the dark inner face. A perfect companion to the combination weather instrument. Slotted for hanging. Battery operated. "C" Battery not supplied. Size 11 1/4" square—2 1/2" deep. Gift Boxed. Wt. 2 3/4 lbs.

6414 \$42.00

C Monaco I*

Combination Barometer-Temperature-Humidity Weather Instrument

Charming period wall instrument with wood-grain finish and graceful scalloped corners. The burl wood appearance of the front deck enriches the mediterranean design. A polished brass bezel and spun brass temperature-humidity dials set against the fawn colored barometer dial face adds a golden glow to the unit. Slotted for hanging. Gift Boxed. Size 11 1/4" square—2 1/4" deep. Wt. 2 1/2 lbs.
