

# Clever Ornament Designs in the

# WHITEHALL

## Line

The clever ornaments are reproduced from actual hand carved models to capture all the realistic grace and beauty of the subjects. They are cast from genuine FERRALUME aluminum and finished by hand rubbed Swedish Iron process for a lifetime of rustic charm. Many designs are available in beautiful natural coloring.

To order, see the individual page on the type of unit you prefer. It lists the ornaments available on that particular unit.

**Size:**  
**Approximately**  
**12" x 12"**

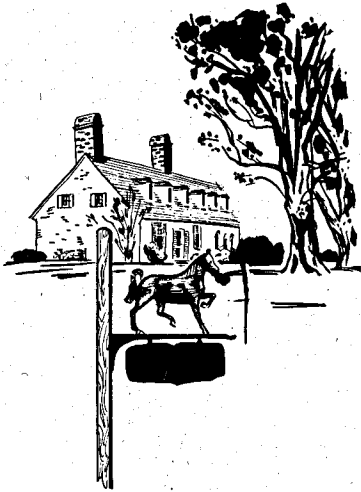

(FOR WHITEHALL HOUSE MARKERS, WEATHER VANES  
 LAWN SIGNS, BELL BRACKETS, BELL MARKERS).

What Special Design do you want?

**NEW**  
**WHITEHALL**

**Custom Design Department**

If you do not find your favorite subject in our catalog, we will be happy to design the ornament of your choice to your specifications.

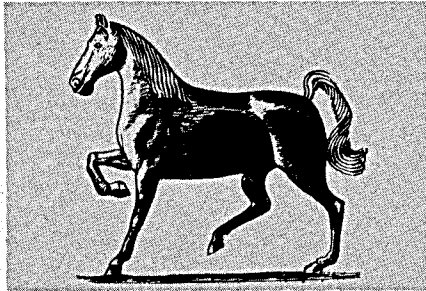

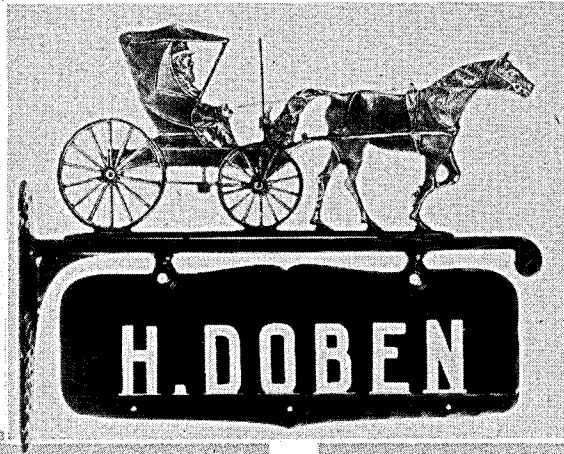

Our Custom-Design department is equipped to design and make anything from elephants and alligators to tractors and windmills. Special designs are made from rust-proof aluminum in flat silhouette form.

Just send a sketch or outline the type design you prefer. Prices include bracket, ornament and nameplate and are based upon the degree of specialization required.

**REMEMBER —**

*for every gift occasion, WHITEHALL Rustic Charm will prove your thoughtfulness the year 'round!*

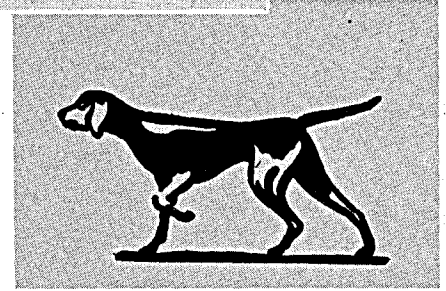

"Horse"

A splendid reproduction of the five gaited horse.

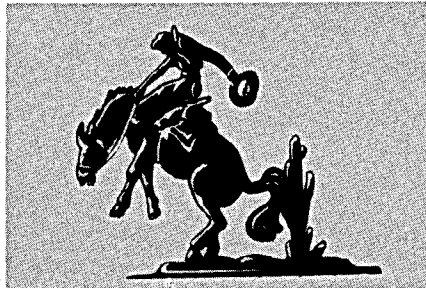

"Two Small Mallard Ducks"

An especially interesting study for the Nimrod.

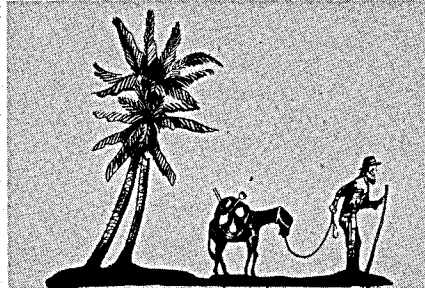

"Pointer Dog"

Let this fine fellow point the way to your friends.

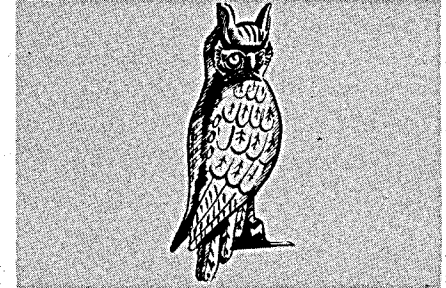

"Bucking Broncho"

The spirited West in all its glory.

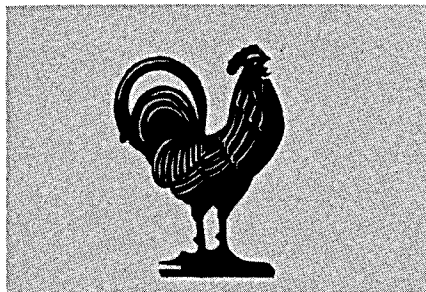

"Sourdough and Palm Trees"

The old prospector lives again.

"Owl"

You can almost hear him say "Hooooo."

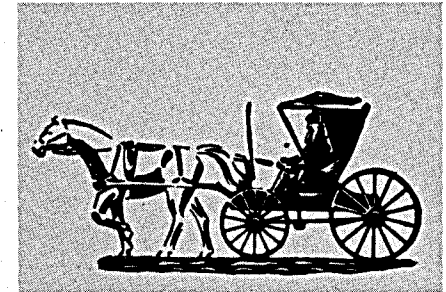

"Crowing Rooster"

Up early in the morning to greet your guests.

"Hunter and Dog"

Brings back those days in the field for every huntsman.

"Country Doctor"

A scene from yesteryear—especially close to the heart.

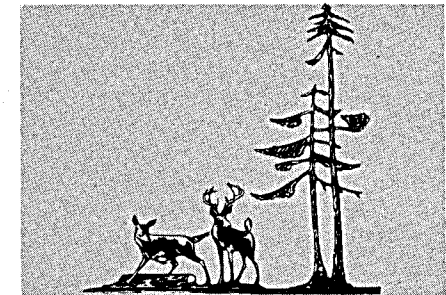

"Rearing Stag"

Hand carved sculpture captures every lifelike detail. Note: See page 15.

"Fighting Cock"

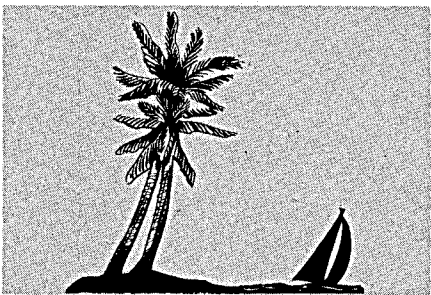

Typical WHITEHALL mastery of detail in every line.

"Woodland Alarm"

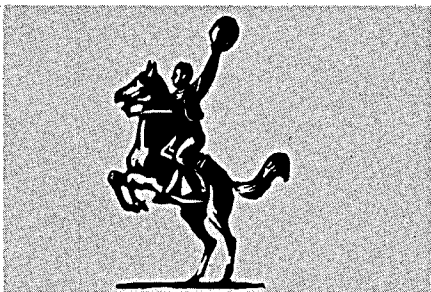

Secrets of the deep forest are revealed in this lifelike picture.

# 300 ies Designs

"Palm Tree and Boat"

Typical of the Balmy Southlands.

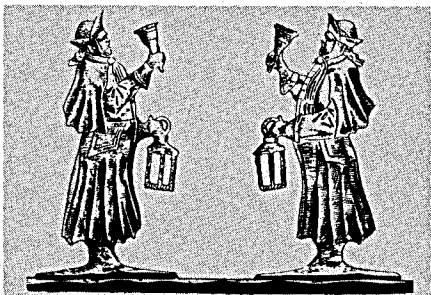

"Caballero"

The gay Caballero—adds charm to every location.

"Mallard Duck"

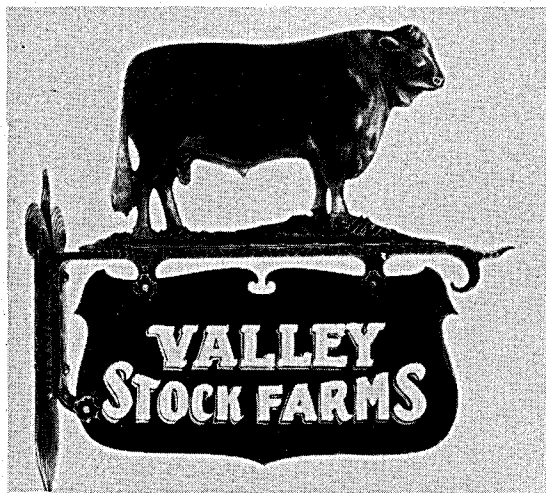

He'll never go South, but will remain to greet your friends the year 'round.

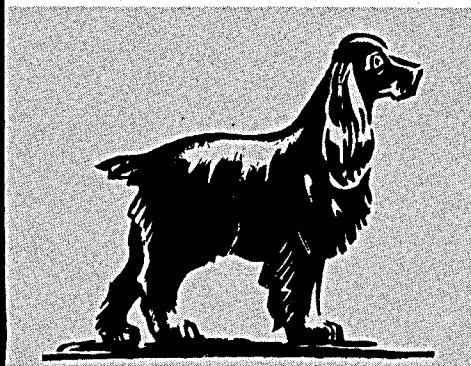

"Town Crier"

"All's Well," he seems to say in friendly welcome.

## 500 and 600 Series Designs

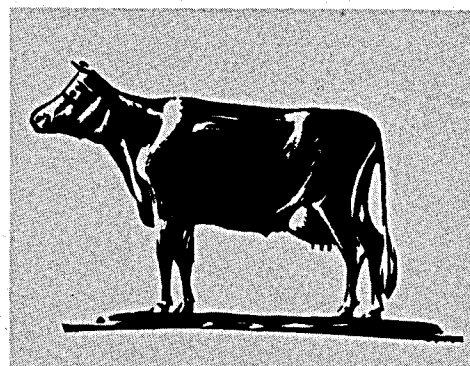

"Bull" The mighty Bull. Especially appropriate for the rural setting. Note: See page 10.

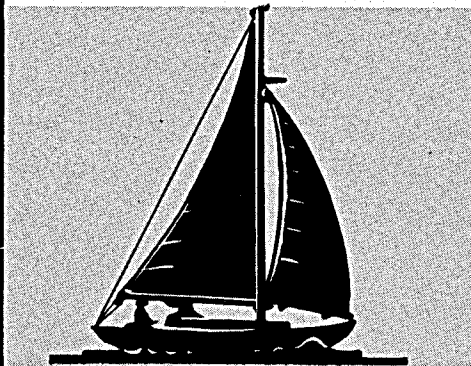

"Cocker Spaniel"

WHITEHALL mastery of detail reflects the friendly Spaniel at his best.

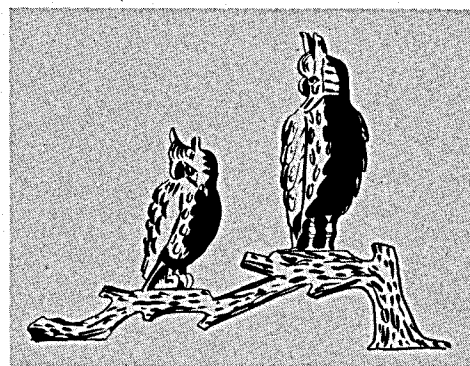

"Cow"

Perfect pastoral scene for the rural setting. Note: See page 10.

"Sailboat"

A cheery ahoy for the lakeside cottage, lodge, or home.

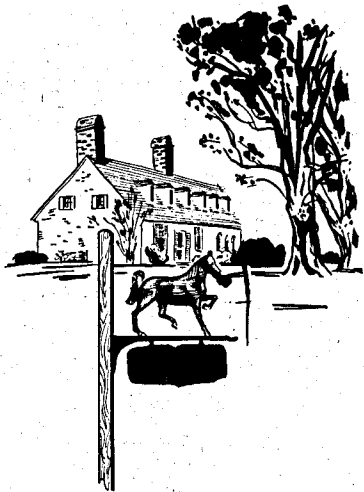

"Two Owls"

Wise old birds in full relief.

**Artistic NEW**

# WHITEHALL DESIGNS...

WITH NEW, LARGER SIZE ORNAMENTS, BRACKETS AND NAMEPLATES.

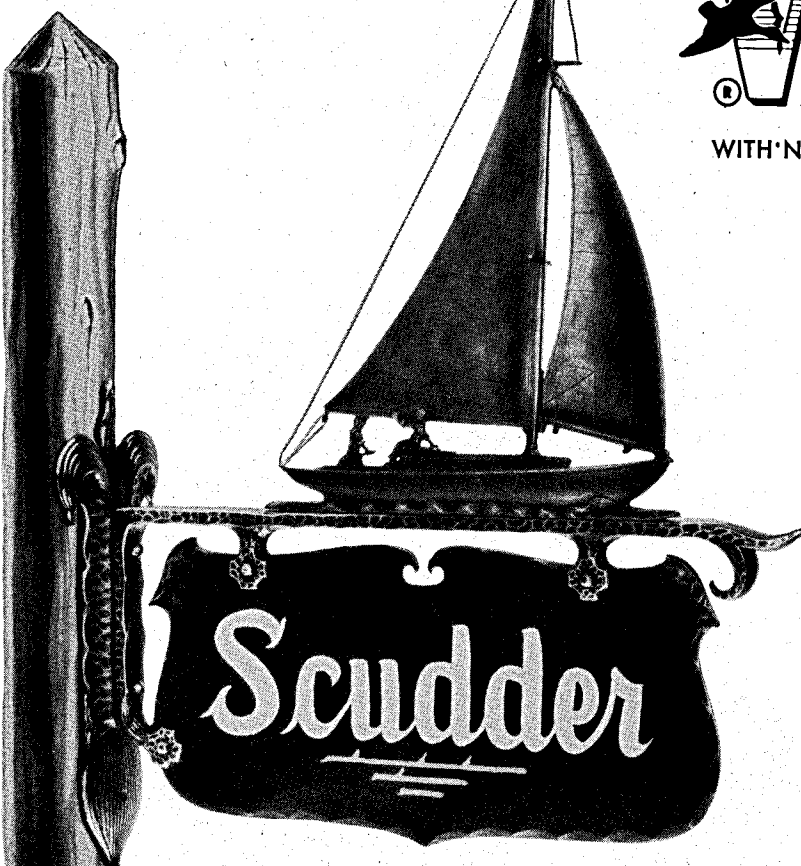

By popular request, WHITEHALL introduces its new series of larger signs with larger brackets and nameplates. New signs permit larger lettering and will accommodate more of the 2" reflecting letters and numerals illustrated on page 11.

SAILBOAT shown left and BULL below, illustrate the new 500 series. Size: Approx. 20" high, 21" long.

Larger models are approximately 20" high, 21" long—and include a host of clever new designs plus many of the already popular WHITEHALL creations. Signs are easily attached to tree, post or side of the house.

See complete listing of new designs available at lower left.

COW and COCKER SPANIEL below illustrate new 600 series. Size: Approx. 18" high, 20" long.

#### REFLECTING LETTERS and NUMERALS

- \*Solid Aluminum Letters Give Years of Service.
- \*Will Not Soil, Fade or Peel.
- \*Quickest, Easiest Method Ever Devised To Attach Reflecting Letters.
- \*Surfaced With Special Glass Bead Reflectorizing Material.

\*Special "foot" at bottom of each character enables letters to slide into handy new channel attachment quickly, easily, where track holds them in place.

To attach—just loosen track with screw-driver, slide letters in place and tighten track.

Here's the quick, easy way to mark your WHITEHALL House Signs with your name, address or whatever you prefer.

Slide the characters into the special handy track attachment made especially for WHITEHALL signs.

WHITEHALL letters and numerals are available from A through Z and from 1 through 10. Solid aluminum surfaced with glass bead reflectorizing coating.

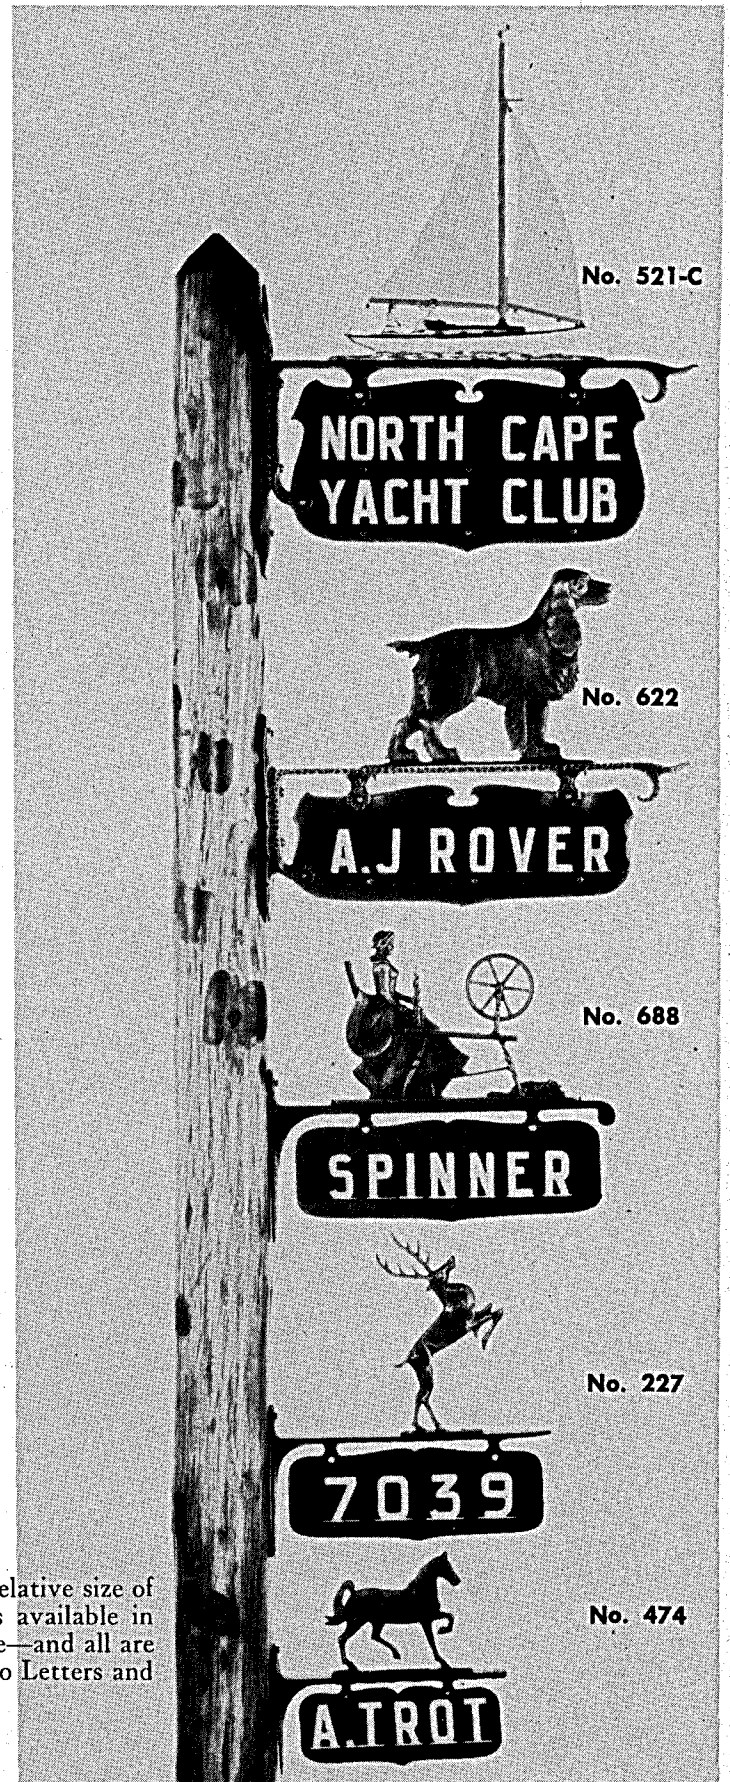

In ordering, simply state the characters desired, and ask to have the special track attachment for your sign. Letters are 30¢ each and 2" high. Use prefix D. G. in ordering.

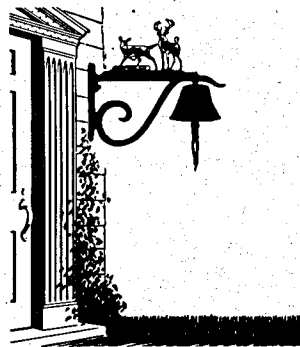

Photograph illustrates the handy track attachment for holding characters.

Maximum lettering on

- 400 Series Signs — 6 letters or numerals
- 300 Series Signs — 9 letters or numerals
- 600 Series Signs — 10 letters or numerals
- 500 Series Signs — 20 letters or numerals

Illustration shows relative size of the 5 sizes of signs available in WHITEHALL Line—and all are shown with Duo-Glo Letters and Numerals.

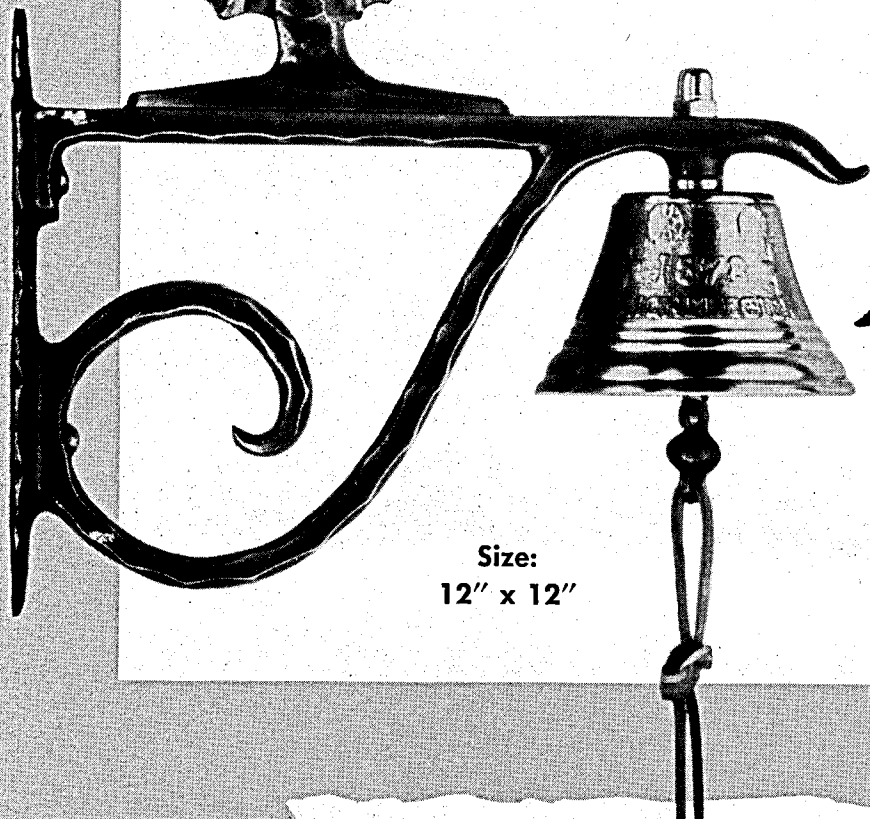

Think of the grace and beauty these charming House Bells lend to your entranceway.

And what a perfect way for your guests to announce themselves—the merry tinkle of a genuine brass bell!

Distinctive ornaments are cast in FERRALUME aluminum, while the bell is moulded from actual brass. Check the many unusual designs available as listed below for the House Bell you prefer.

Above Ornaments Illustrated on Page 3

Slightly smaller than the Bell Markers shown on page 15, these clever new models lend rustic charm to home, lodge or estate.

For here you have the perfect combination of charm and utility. A gentle tug on the cord—and the merry tinkle of a genuine brass bell announces your guests. And—your name on the nameplate remains a welcome guide to friends.

Cast in FERRALUME aluminum, the artistic ornaments will provide a lifetime of rustic charm.

Steel nameplate with genuine brass bell.

Many clever Bell Marker designs are listed below. Choose yours, today.

\*Designed by WHITEHALL, the Universal Base provides easy installation on roof of any angle. Constructed from heavy cast aluminum. Included with all model vanes.

**WHITEHALL**

**Weather Vanes**

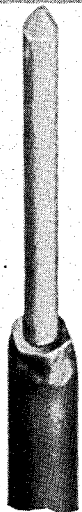

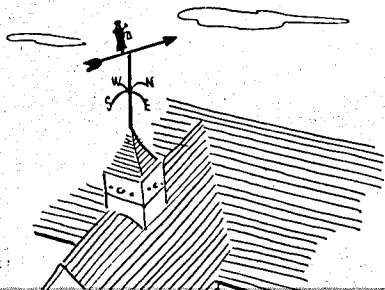

This graceful Mallard illustrates the WHITEHALL 300 series Weather Vanes. They are slightly larger than those listed on Page 16, and include a host of popular ornament designs.

Distinctive ornaments are cast in FERRALUME aluminum and highlighted by Swedish Iron finish. Arrow shaft of lightweight brass tubing with solid aluminum mast.

Equipped with patented Universal Base for easy mounting on any angle roof. Complete with direction letters.

Size: 40" high, 30" long

Ornaments Listed Below Illustrated on Page 3

(At left) — Arrow shaft rides atop special brass pin — which fits into carefully machined arrow socket—giving arrow free and easy rotation.
