

WEATHER VANES

No. 1000—The Eagle on Bough

HAROLD K. JONES

153 MAIDEN LANE

NEW YORK

SPECIFICATIONS

Our silhouette weather vanes are durably made of brass and copper mounted on bronze ball bearings in weather proof casings. The rod and compass points are copper or bronze.

The single letter *N* will be furnished with any vane instead of regular compass points, if preferred.

The standard finish is flat black. Any desired color, such as statuary bronze or gold may be furnished.

Special vanes made from architects designs.

Vanes can be set up by any one from simple directions furnished.
